p 2 (5)

In paragraph 6 of G.O. 306 Press (Revenue Department) dated 12th February 1936, it was ordered that the amount of remission referred to therein, for this District and a few others should be deducted from the April kist. This is being done in only

two Taluks viz. Puttur and Udipi in this District. In the remaining four Taluks viz. Mangalore, Kasargod, Coondapoor and Karkal the remission accounts have not yet been prepared owing to some doubts as regards the method of working out the remission amount. I request that Government orders may be obtained for deducting the remission amount from the kist of the month of May instead of that of April.

Reference.

Submitted to the Government.

2. The Board supports the Collector's proposal and requests that the Government will be pleased to sanction the deduction of the amount of remission granted in G.O. No.306 Revenue. dated 12-2-36 from the May kist in the four taluks in question.
